SplashLink.com CEO Ebie Holst among Business Leaders to Brief Administration on Sustainability and Climate Change

Washington – Following the Supreme Court’s move to stay the Clean Power Plan, business leaders from across the country will be at the White House tomorrow to brief senior Administration officials on the impact of the stay on businesses nationwide.

The discussion is expected to focus on methods to mitigate the effects of severe weather and efforts to make America the world leader in bringing clean energy products and solutions to market.

The meeting itself is closed to press, but participants will be able to discuss their experience and opinions. If you would like to speak with Ms. Holst about the event, please contact Jason Wuliger at jasonw@splashlink.com or 440-497-0047.

When: Wednesday, February 17, 2016

Where: The White House, Eisenhower Executive Office Building, Washington, D.C.

Who: SplashLink.com CEO Ebie Holst

About SplashLink.com

SplashLink.com (www.splashlink.com) is the first online marketplace to support an entire range of project, financing, and sourcing needs for the highly fragmented and increasingly stressed global water industry. Whether dealing with industrial process water, municipal infrastructure or drought adaptation, SplashLink.com enables water-solution buyers and sellers quick and easy “one-stop shop” access to funding, collaboration, and bidding opportunities. SplashLink.com accelerates response to local and global water challenges by connecting industry players and opportunities with this innovative platform like never before.
